Words From Our Partners

“

Spring Bank has proven to be a valuable ally to the Bronx River Alliance, offering various financial instruments, valuable financial guidance at the onset of the pandemic, and supporting our fundraising efforts. **Spring Bank sets the bar high for what a model local community bank should be.**

”

— Daniel Tapia, CFO
The Bronx River Alliance

“

I think it was the first time a CEO of a bank texted me directly to tell me we were approved for a loan. **It was faster, more efficient — and because Spring Bank has experience in nonprofit lending, they knew exactly what we needed to meet the lending requirements.**
